## PROJECTS INVOLVED

---

### Food Delivery Website

This is a front-end website which was made by me just to practice and improve my web development skills. I have used HTML, CSS to make this website.

This website is responsive

<https://food-delivery-pg.netlify.app/>

### Guess the Number Game

This is a game where we have to guess a number between 1 to 20. This is made using HTML, CSS and JavaScript
